Comstock Mine  
ACT/021/005

Dear Mr. Hale:

At their April 23, 1980 Executive Board Meeting, the Board of Oil, Gas and Mining gave concurrence to the Division staff in their decision to grant tentative approval to the Comstock Mine. The Division hereby issues tentative approval to this mine.

As you know, this tentative approval is subject to a publication notice and a 30 day waiting period. Since surety arrangements have already been completed with CF&I Steel Corporation, final aproval can be issued upon completion of the 30 day waiting period if there are no adverse comments.

Please call if you have any questions concerning this matter.

Sincerely,
